VOLUNTEER SERVICE GUIDELINES

1. This service block will be 30 hours per child (Grades K-12) with a maximum of 60 hours per family. Hours that are not fulfilled will be billed at \$12.75 per hour.
2. Volunteer Service may be pre-paid at any time, but these hours or fees are due by the end of the fourth quarter of the school year. If the volunteer service is not paid for or completed by the end of the school year, the report card and transcripts for your child/children will be held.
3. Volunteers working during school hours must wear modest attire as outlined in the FFCS Student-Parent Handbook.
4. The world and its culture is very open to a wide range of lifestyle choices, yet FFCS holds to high Biblical standards, submitting our lives to the counsel and authority of God's Word. Volunteers are role models and therefore must exemplify Christ-honoring, God-glorifying behavior. Deviation from Scriptural standards is grounds for the school to deny opportunities to volunteer at school or act as field trip chaperones.
5. Volunteers will be under the direct supervision of Firm Foundation Christian School employees.
6. F.F.C.S. Board Policy and our insurance carrier now require background checks on ALL volunteers. Background checks on ALL volunteers must be completed **before** any volunteering can occur. Please allow sufficient time for the office to process your background check.

We understand that by sending our students to F.F.C.S. we are required to volunteer at least 30 hours (60 hours for two or more students) per school year. If unable to meet this requirement, we will pay \$12.75 an hour for unfulfilled time.

_____ (optional) We are unable to fulfill our volunteer requirement. Please add the volunteer service block fee to our monthly payment (12.75 per hour. 30 hours required per student (K-12th grades), maximum of 60 hours per family.
